

August 2020

Dear Pre-K Families,

We hope you are enjoying your summer! We've been preparing for our school year and look forward to working together in September. Since this will be a unique year, I have created a supply list to help students be prepared for instruction both at home and in school. Typically, our students share materials in the classroom, but due to the circumstances, each student will need their own set of materials.

Below is a list of school supplies that all Pre-K students will need for instruction at home, during remote learning, and at school. All the items listed below will remain in the student's backpack so they can be used at home or school.

- 1 pack of crayons
- 1 pack of markers
- 1 pack of pencils
- 1 pack of dry erase markers
- 1 pair of Fiscars safety scissors
- 1 glue stick
- Headphones- optional for remote learning
- Extra face masks
