IV. Chat with Mr. Marcellus

Mr. Bonafiglia would like to begin a Lego Club, this is a lead in to a Robotics Club. The Club would be geared to 4th-8th grade students. The Club would use the Lego Mindstorm System. There is the potential for the club to meet after school or as a Summer Camp. The Kit is all inclusive. The Club would start Sep. 2016. The cost for a 36 student package would be \$7,000. Purchasing additional Supplements to the package were discussed. The cost for the additional supplements will be researched and students will be assessed for their possible interest in this club. No vote taken. Further discussion will take place at the April Meeting.

Letter went home for communication with parents. Mr. Marcellus asked that parents please speak with their child/children first, then the teacher. Mr. Marcellus will be exploring other communication options with parents such as Classroom Dojo.

Sra. Axmann would like \$300 to purchase meals from Chipotle for 7th grade students to reinforce vocabulary on ordering food in a restaurant in Spanish. It would consist of 34 meals, Chips & Salsa, Water/Juice & Fruit. Vote passed None Opposed.
