V. Chat with Mr. Thorp

HSA was given a demonstration of the FM Mic System currently being used in Mrs. Hartzell’s classroom. It is estimated that the purchase of each system would be between \$800-\$1,000. Mr. Thorp said the school would first be looking to have it in the K-2 or K-3 classes, then continue to expand in other classrooms. Mr. Thorp will provide more information regarding the cost to purchase the system before it may be brought to the HSA as a possible enhancement to the school.

2/13 will be a make-up snow day. Mr. Thorp gage interest from the HSA membership about their feeling to have this day be an early dismissal. The early dismissal suggestion will be made to Mr. Trongone.

PARCC – PARCC is an online test. March will begin the Performance Based Assessment. The test will be one unit day and will be held in the AM.

It was brought to Mr. Thorp’s attention that some parents would like to be notified when their child/children are seen by Mrs. Leonberg for any reason. Mr. Thorp will check with Mrs. Leonberg to see about having notes sent home when a child visits her.

Mr. Thorp was asked if the Feb. meeting could be moved 1 week back at the school due to the meeting originally falling on Ash Wednesday. Mr. Thorp said the HSA can use the school on 2/25/15 for the Feb. meeting.
