Eila Smith	Gianna Crespo	Jacob Bowers
<p>(1) Eila is always doing the right thing, even when nobody is watching. She is honest and truthful to her teachers and friends.</p> <p>(2) Eila is a great example of integrity. Integrity is doing the right thing even when no one is watching, and Eila might not realize it, but I am always watching her! She consistently does the right thing, even when she could follow the crowd. She is always kind, helpful, and respectful of the rules and others.</p>	<p>Gianna is a hard-working, kind, funny, strong, respectful, motivated and sweet young lady. In addition to all of those incredible traits, of which anyone would be lucky to possess just one, Gianna also has Integrity. Even when it takes longer, or more effort, Gianna stays the course when challenges arise in academic and social situations. She makes smart choices even when no-one is looking and/or when others around her are doing the opposite.</p>	<p>Jake always shows integrity. I have observed him picking up trash left on the lunch tables (that was not his), helping other students (even when not asked), and just being courteous and doing what is right throughout the school day.</p>
Sawyer Banfill	Melanie Freeman	Kayden Abercrombie
<p>Sawyer is consistently cooperative and tries his best to do what is asked of him. He readily participates in tasks and shows a real effort to meet the goals that are set for him. He stays on task and wants to get things "right"; so he puts in the necessary repetitions and sustained level of practice to improve his skills. Sawyer completes suggested home activities and returns them so he can be given more. He is eager to read and asks for extra books on a regular basis. Fantastic!</p>	<p>Mel works so hard with reading, writing, and math. When concepts and skills are tough, she powers through and sticks with it. She wants to improve her reading skills and works so hard in class! I am really proud of her.</p>	<p>Kayden has had to overcome many adversities since being placed in a whole new learning environment. He has managed to motivate himself to be successful and continues to try his best toward future success.</p>
