VIII. HSA Student of the Month- established Sept 2021

a.

May	Creativity	Grace O'Briend	Camila Lima	Alexa Espiritu
		<p>Grace is creative artistically, as well as academically. She is a talented artist who often shares her abilities with others. When she doodles and the other kids compliment her work, she teaches them how to draw like her. I have a class full of "anime' eye artists" thanks to her! Grace is also a creative thinker. She thinks outside the box and doesn't follow the crowd. Grace's creative nature goes hand in hand with her positive attitude and solution oriented thinking.</p>	<p>Camila exudes creativity not only in her art and little creations, but in her thought process. She is always coming up with creative solutions to problems. I can imagine her using that gift to help change our world as she grows!</p>	<p>Alexa exhibits creativity in many aspects as a student. She is incredibly creative in her writing and thinking. Often, just for fun, she writes beautiful poetry. In addition, as a volunteer she makes suggestions for activities that also showcase her creativity.</p>
June	Spartan	Sawyer Banfill	Harper Stone	Elias Yumiseba
		<p>Sawyer is a pleasure to have as part of the Room 109 family this year. Sawyer has grown tremendously this year and I would love to recognize him for his hard work and perseverance. Keep up the great work in second grade!</p>	<p>Harper is a student who goes above and beyond. She is always willing to help out a classmate or a teacher. She strives to do her best with anything coming her way. Harper is such a wonderful friend to everyone in the classroom. Her energy radiates throughout our classroom in the most positive way!</p>	<p>Eli has been a model student all year. He has embodied all of the characteristics of Spartan of the Month and therefore should be honored as a Spartan; not only for June, but for the entire year.</p>
