Layla Pope	Springe Parks	Jamiyah Bellinger
<p>Layla is an extremely hardworking student and a wonderful friend. She always tries her best and likes to learn new things.</p>	<p>Having the privilege of teaching Springe in both 4th and 5th grade, I have seen so much growth in this aspect. Springe's self confidence has grown from where Springe used to shut down and struggle when faced with difficult or challenging material. Now, Springe is capable of persevering through challenging questions with little to no support! I am very proud of how far Springe has come in this character trait.</p>	<p>Jamiyah is very diligent in her note taking and her work. She doesn't give up on problems and checks to make sure that she has followed all the correct steps. Even when the problems get tough, she works hard and checks to make sure she is on the right path. Jamiyah works from the time she enters the classroom until the bell rings.</p>
