5th - 8th science:

Mr. Bonafiglia

pbonafiglia@gibbsboroschool.org

Reminder!

*Parent teacher conferences coming soon!

*Check your student's Oncourse account regularly!

The basketball season is scheduled to begin in January! Stay tuned for updates.

What's happening in Gibbsboro Junior High?

Welcome to *Middle Matters*. The junior high will be using this platform to keep you informed of what is going on in grades 5 - 8. This will come to you via email on a regular basis, but we will also post it on the Gibbsboro School website under The Middle.

NJHS Induction 2020

September welcomed seven new members into the Gibbsboro chapter of the National Junior Honor Society.

One of the main roles of the society is to serve. This holiday season the membership has decided on a few ways to serve the Gibbsboro School community and community at large. Below is one way to help them, but stay tuned for events!

NJHS NEEDS YOUR HELP!

The National Junior Honor Society is collecting new or gently used blankets, coats, and jackets, as well as new socks to be distributed to the homeless population in Camden. There will be a large plastic receptacle in front of the school for you to drop off your contributions from November 30th - December 18th. Please help in any way you can!

Extra Curricular Activities

Update

The following activities are currently meeting virtually:

- Student Council - Wednesdays @ 1:15
- NJHS - Thursdays @ 2:30
- Spartan News

SIGN UP for Robotics and Book Club!

** Any 8th grader interested in participating in Robotics, please sign up on the link below by December 11th!
